**95%**

of scholars are low-income, first-generation college students.

**87%**

of college graduates have no debt! Those with student loan debt had an average debt load of \$3,549.

**99%**

of scholars go to college.

**90%**

of scholars persist in college.

**74%**

of scholars graduate college in 6 years or less! Of those that graduate, 76% do so in 4 years or less.

**The Success Starts with Hope Breakfast was launched 19 years ago to share the mission of Boys Hope Girls Hope of Arizona. In addition to inspiring and educating guests, this event helps to further our mission by raising awareness and support from the community.**
